verbal warning on 9/25/2018 for having contact with his brother [REDACTED] Fraley who is not only a felon, but was also on abscond status. During a nighthawk completed on 9/25/2018, [REDACTED] Fraley jumped out of a window at the house Michael Fraley was approved to live at. [REDACTED] Fraley, who was on parole abscond status at the time, fled the scene and the police were not able to locate him. Parolee Fraley failed to report to parole on 10/9/2018 as scheduled. Fraley is on GPS/tether and subsequently traveled to numerous unapproved locations as he only has permission to report to parole on 10/9/2018. On 10/24/18, MSP Troopers Card and Winnie were dispatched to a domestic in progress at the American Inn on Dort Highway at 1:40 A.M. The parolee was apprehended on 12/25/18 and was charged with new criminal behavior that the parolee had previously been sanctioned for. On 04/30/19 Parolee Fraley was sentenced to 11 months jail consecutive to parole. As a sanction for absconding the parolee was deferred to court and to be placed on GPS tether for 90 days.
